When attempting a Grading, I hereby confirm that I will accept, without question, the decision of the examiner/s when the results are given, and I will not, nor any person connected with me, or any person in relation to the grading, make any derogatory comments should they not agree with the decision.

I understand that the examiners' decision is final and that any abuse may invoke disciplinary action and the possibility of TISKA membership being revoked.

Signed: _____

(Parent if student is under 18 years old)
